guard explosive close combat fighting techniques devastating combinations combining all of the body s weapons hands feet knees elbows and more how to put your opponent s on the ground and the safest way to land in case the same happens to you simple to use street fighting tactics that actually work how to escape common holds including chokes how to put and keep anyone on the ground in under 3 seconds how to achieve maximum power in all your strikes what to do when faced with multiple opponents when street fighting and much more limited time only get your copy of how to win a street fight today and you will also receive free sf nonfiction books new releases exclusive discount offers downloadable sample chapters bonus content and more these are the only street fighting tactics you need because they are easy to learn simple to apply and devastating to your opponent get it now

the average person isn t looking to be in a situation where fists are going to fly but many of us have found ourselves there anyway at that moment it s probably too late to do anything about it but how do we change circumstances so those situations don t happen how not to get hit is a book on personal safety for people who don t want to learn to fight but do want to learn how to avoid those situations where a fight is likely to develop told in a lighthearted irreverent style how not to get hit takes you on a journey through the funny side of violence its roots in our evolutionary past and where it fits into modern society self defense isn t a series of techniques or moves it s an attitude a strategy and a life skill this martial arts philosophy book will give you an understanding of why people want to use violence and how to manage situations in order to create a better outcome

boxing legend jack dempsey taught world war ii recruits the art of hand to hand combat his classic illustrated manual offers techniques to survive in dire situations a must for anyone wishing to improve their self defense capabilities

learn how to beat a bigger and stronger opponent when you re about to fight a thug on the street and you have to look up to stare into his eyes you re bound to feel up pang of fear but follow the solid strategies and self defense techniques presented by self defense maverick and innovator sammy franco and the fight will end with your attacker looking up at you in confusion as he crashes to the ground sammy franco was concerned that no book on the market successfully tackled the specific problem of fighting a larger stronger opponent in the bigger they are the harder they fall he addresses that all important issue and delivers the solid information you ll need to win a street fight when the odds seem stacked against you

the bigger they are the harder they fall will teach you how to avoid panic and intimidation the do s and don ts of fighting a massive fighter the five best knock out targets what works what doesn t and why how to avoid the ground fight workout routines equipment training step by step fighting combinations and much much more in this one of a kind skill building workbook sammy franco calls upon his 30 years of experience as a reality based self defense expert to prepare you both mentally and physically for the fight of your life unless you re a lineman for the nfl there may come a day when you will face an opponent who can dominate you through sheer mass and power read and study this book before that day comes

knowing how to defend yourself is one of the most important life skills that you can learn while many like to believe that they ll never have to experience violence or that violence is never the answer sooner or later reality comes a knocking it s best that you be prepared for whenever this comes self defense is not something that you should take lightly and something that you should train for everyday if you want to be able to handle yourself and walk without fear then this book is for you in how to fight how to box for self defense you will learn what the quickest way to end a fight is and why every man should know it the reason why asian martial arts are impractical for the vast majority of men and what to do instead a drill that mimics a real fight and will turn you into a fearsome fighter if done enough the two most vulnerable spots to hit someone for non lethal self defense and are a must know for any fighter 7 traits that all true warriors exhibit and to develop in yourself the reason why you should never let yourself be a soft target and what happens when you do 3 of the best punches to master to get you out of just about any situation how to punch above your weight class time and time again secrets from professional fighters a great boxing routine to do daily so that you can develop all of these skills and be able to use them if you must why offense matters more than defense and the only kind of defense that ll do you any good so if you want to feel confident in yourself and that you can handle yourself wherever you go as well as develop a great much needed skill then pickup how to fight how to box for self defense today

when you re facing a thug and have to look up to stare into his eyes you re bound to feel fear but follow the strategies and techniques presented by martial arts innovator sammy franco and the fight will end with your attacker looking up at you as he crashes to the ground franco the creator of contemporary fighting arts was concerned about the lack of information on facing a larger opponent here he addresses that

all important issue and delivers what you need to survive a street fight when the odds seem impossible unless you re mike tyson there may come a day when you ll face an opponent who can dominate you through sheer mass and strength read this book before that day comes

discover all the street fighting techniques you need 2 books in 1 make this the only book you need on close combat fighting it contains all the information from how to win a street fight ground fighting techniques to destroy your enemy and adds a whole lot more discover all the techniques you need to win any brawl because this is a simple unrefined and aggressive street fighting guide get it now how to street fight includes lessons on staying safe and minimizing injuries whilst learning self defense achieving the most power from your strikes pressure points for self defense without needing pinpoint accuracy a simple and natural all purpose fighting stance a variety of training methods to best equip you for any street survival situation how to use anything as street fighting weapons and the best ways to use them the best ways to finish your opponents fast effective striking methods you can use straight away effective close combat self defense training the 3 second or less ko the two best choke holds to subdue your opponent as well as how to escape from them yourself ground fighting techniques and strategy landing safely on the ground and the best ways to get back up how to regain the upper hand should you get overwhelmed during a street fight how to escape when grabbed by an assailant whether it be from the front side or behind the best strategies to use when fighting multiple opponents whether you are alone or in a group how to disarm an opponent with a weapon defense against guns and the correct way to use them yourself knife fighting techniques and much more limited time only get your copy of how to street fight today and you will also receive free sf nonfiction books new releases exclusive discount offers downloadable sample chapters bonus content and more get it now
